

Pierre Bincteux

pronouced : pee-air bang-tuh

WHO I AM

Product-first designer with 10+ years of experience (7+ dedicated to UX). Started in visual/brand design at early-stage startups before scaling into enterprise UX at Salesforce. Internal champion of AI-assisted design (Gemini, Claude, Cursor) paired with rigorous UX research and Figma craft. Native French, fluent English.

EXPERIENCE

Senior Experience Designer — Salesforce

Aug 2021 – Present | Dublin, Ireland

Lead strategy & end-to-end design for internal Salesforce & Slack seller platforms.

Collaborate with product leaders to prioritize high-impact roadmaps.

Plan qualitative/quantitative research, user testing, and vision definition.

Deliver & Oversee end-to-end designs through implementation into production platforms.

Highlights:

AI Leadership: Piloted AI tools (Gemini, Cursor, Claude) & led team offsite workshops.

Guided Selling: Designed vision prototypes & async video walkthroughs for global teams.

Proposals Platform: Owned end-to-end flows for complex sales workflows.

Seller Observations: Conducted 1:1 AE interviews and journey mapping as UX Researcher to surface seller pain points, feeding directly into product strategy.

UX Designer — Salesforce

Dec 2018 – Aug 2021 | Dublin, Ireland

Designed custom software demo prototypes with CX engineers & strategists.

Visual & Brand Designer — Startups

2014 – 2018 | Lyon & Paris, France

Owned brand identity, UI/UX, and motion design across early startups.

EDUCATION

Université Lumière Lyon 2

2014 – 2015 | Lyon, France

Master Degree - M2 Direction Artistique (ICOM)
